

## NORTH CLARK LITTLE LEAGUE

### EMERGENCY ACTION PLAN

**LEAGUE SAFETY CHANNEL: CHANNEL #1**

#### **1. THE 7-STEP RESPONSE**

1. **STOP PLAY:** Immediately halt all activity on the field.
2. **CHECK STATUS:** Assess breathing and alertness. **Call 911** if questionable.
3. **RADIO BOARD MEMBER:** Alert the **Board Member on Duty (BMOD)**.
  - *“Medical Emergency, Field [Number]. Requesting AED/Supplies.”*
2. **SECURE THE SCENE:** Do not move the victim unless they are in immediate danger.
3. **DESIGNATE A GUIDE:** Send one person to the facility entrance to meet and lead EMS.
4. **ACCESS RECORDS:** Grab the player's **Medical Release Form** for allergies or history.
5. **NOTIFY PARENTS:** Locate the guardian immediately.

#### **2. RADIO PROTOCOL (BMOD CONTACT)**

- **Emergency Priority:** Keep the airwaves clear. No coaching or tactical talk.
- **Plain Language:** Do not use codes. State exactly what you need (e.g., "Need ice packs at Field 4").
- **AED Deployment:** If a player collapses, radio for the **AED** immediately.

#### **3. WEATHER & HEAT**

- **Lightning:** "See it, flee it; hear it, clear it." Move to hard-top vehicles or buildings.
- **30-Minute Rule:** Wait 30 minutes after the last thunder/lightning before resuming play.
- **Heat:** Move players to shade and provide water at the first sign of dizziness.

#### **4. REPORTING & CONTACTS**

- **48-Hour Rule:** Report all injuries/near-misses to the Safety Officer within 48 hours.
- **Incident Forms:** Available at the concession stand or [League Website Link].
- **Concussions: ZERO** return to play without medical clearance.
