

# Bulldog Baseball

## *A West Bend Tradition*

The West Bend Bulldogs is a program consisting of age-based baseball teams sponsored by the West Bend Little League Booster Board. This program was created to allow children to not only be able to work on their baseball skills year round but to also have an opportunity to play tournament baseball in the spring/summer. Each summer the WBLLBB, in conjunction with the West Bend Little League, holds try outs for next season's teams. Children who will be Little League age 8-14 years old in 2026 with the desire to play more competitively are encouraged to try out. There is a financial commitment to playing which is used to cover the cost of uniforms and tournaments. The one requirement is that your child must also play in West Bend's Little League program during that same season. When there is substantial interest at any age level (numbers of children, talent and coaches) a second team may also form! The end goal is to allow those children interested in playing at a higher level an opportunity to do so while also getting kids ready for high school baseball.
