

SANDWICH

Sandwich Youth Baseball and Softball

P.O. Box 1

Sandwich, MA 02563

Thank you for your willingness to sponsor Sandwich Youth Baseball and Softball for its upcoming season. All tax-deductible contributions go directly to team uniforms, equipment, field development, facilities maintenance, and umpire fees. More than 500 players and their families depend on your generosity to provide the tools needed to play baseball and softball -- and keep the experience affordable for all.

The generous and long-time support of our sponsors enabled us to recently refurbish our primary fields behind the Wing School, thereby enhancing player safety, improving playability, and ensuring the long-term success of the program. Your support will help with additional upgrades planned for the coming year, including parking lot improvements, backstop renovations for the Babe Ruth field, and more.

Your sponsorship also provides considerable exposure for your business. In addition to our local players and families, your support will be seen by the nearly 1,100 families who come to town every summer to play, stay, eat and shop over the course of our 6-week all-star tournament season. Sandwich tournaments are an annual vacation tradition for countless affluent families from the South Shore and Metro Boston.

By choosing to sponsor, you're investing in our local players while also getting positive exposure for your business in the community and with more than 3,000 visiting players, parents, grandparents and friends.
