

WOODBIDGE LITTLE LEAGUE BATTING FACEMASK WAIVER

The Woodbridge Little League (herein referred to as 'WLL') will always advocate the use of facemasks on batting helmets for use at all times and for all ages except at the tee ball level. WLL feels that the use of facemasks on batting helmets will greatly reduce the inherent risk associated with the game of baseball and allow for players to gain confidence without the worry of being hit by a pitched ball. WLL has a mandatory rule for facemask use from the pee-wee level and up to include the major league level, with no exceptions. WLL encourages the use of facemasks for the Junior, Senior and big-league levels but will allow the players to participate without the use of facemask; but will require the parent/guardian to sign and date this document below. This document will serve as proof that the WLL has expressed and asked that the use of facemask be followed at all times for the safety of your child and that you are fully aware of the risk of injury by allowing your child to play without a batting helmet facemask.
