Dear Community Member,

I hope this message finds you well. I am writing on behalf of Yucaipa Valley National Little League, a 501(c)(3) non-profit organization dedicated to providing a positive, safe, and supportive environment for youth athletes in our community.

As a fully volunteer-run league, we rely on the generosity of local businesses and community partners to help maintain and improve our facilities. This year, we are seeking support for one critical need that directly impact our players' experience and safety.

• **New Field Lighting**

As our league continues to grow, the demand for evening games and practices has increased. Installing proper field lighting would allow us to safely extend playtime, reduce scheduling challenges, and create more opportunities for our athletes to learn, compete, and grow.

Any contribution—no matter the amount—will make a meaningful difference and directly support the youth and families of our league. As a registered 501(c)(3) non-profit, all donations are tax-deductible, and documentation can be provided upon request.

We truly appreciate your consideration and support of youth sports in Yucaipa. Your partnership helps us continue offering a program our community can be proud of. If you have any questions or would like additional information, please feel free to contact us.

Thank you for your time and generosity.

Sincerely,  
Anissa Reifel
