

## MSI Academy Financial Aid Application

To the extent possible, MSI will offer financial aid for MSI Academy players who apply and qualify. Financial aid awards will be based on the budget available in the current soccer year, the number of players qualifying for financial aid, and the extent of the individual need.

The MSI registration deposit must be paid in order for your financial aid application to be considered complete. The registration deposit can be refunded if a family chooses to withdraw after receiving their financial aid decision less any costs already incurred. Financial aid funds are limited, so submit your application within 24 hours of receiving an invitation to participate.

The maximum financial aid award a family can qualify for is 30% of your player participation fee (PPF), though most aid is less than 30%. Financial aid does not cover any additional team fees or uniform cost.

Priority for financial aid goes to those players receiving free or reduced meals (FARM) benefits from Montgomery County Public Schools.

\_\_\_\_\_ All information on this form and included with this document is accurate, all required financial documents are attached, and all income has been reported.

\_\_\_\_\_ I understand that if financial aid is awarded, it will only cover a portion of the PPF, and I am still responsible for payment of any additional team fees and uniform costs.

\_\_\_\_\_ I understand that after review of this application, MSI may determine that I do not qualify for financial aid. If I do not qualify, and choose to accept my spot on the academy team, I would be responsible for full payment of the PPF.

\_\_\_\_\_ If I receive financial aid from MSI, I am committing for the full 2020-2021 soccer year. Players awarded financial aid must remain in good standing throughout the year by paying the PPF fee and any other established team fees and uniform costs by the established due dates.

\_\_\_\_\_ If a player received financial aid and wishes to leave their MSI Academy team before the end of the soccer year, they must pay all remaining PPFs in full prior to release. Leaving the club prior to the end of the soccer year waives your future eligibility for financial aid from MSI

Failure to adhere to the guidelines above may result in the forfeiture of the current financial aid award and aid may not be awarded in the future.
