

Little Rangers

Youth Soccer

The Rangers have developed a fun, exciting, and professional developmental soccer program that helps educate and develop young soccer players through a curriculum that focuses on teamwork, technical ability, and general understanding of the game of soccer from an early age.

The program is designed to build a foundation in a fun environment where players can develop at their own pace. Each player will “graduate” from one stage to the next starting from the pre-school age. When the player enters the final stage of the Little Ranger program the player should possess the knowledge and capability to perform at a good level in the player’s age group.

Your child may, however, enter the program at any stage. It is recommended that parents allow their children to be comfortable in each stage before moving them to the next stage. This way, players will have the opportunity to develop newly learned skills and techniques.

The Ranger’s experienced and qualified coaching staff makes this program the best quality program in Auburn with a soccer-dedicated facility.

STAGE 1: LITTLE RANGERS (ages 2-4, born 6/1/2016-6/1/2019)

The Little Ranger Preschool program has been designed to enhance children’s motor and social skills through a sports environment. We will accomplish this through an activity-based program with an emphasis not only on the game of soccer but also other creative activities. This program requires adult participation to help with motivation as well as foster a greater bond with adult/child relationships. **(Parent Participation Required)**

45-minute classes with a cost of \$35 4-week program

First day is April 19th and the session will end on May 10th (Monday evenings @ 6pm)

STAGE 2: LITTLE RANGERS ACADEMY (ages 5-10, born 1/1/2011-5/31/2016)

The Little Ranger Academy has been designed to enhance and support a player’s technical skill. This will be accomplished through an activity-based program with an emphasis on passing, shooting, dribbling and footwork.

Practices are 6:00pm-7:15pm on Thursday evenings and will run April 15th thru May 20th
Program cost: \$50

YMCA Sports Complex at James Park
1153 N Indiana Ave, Auburn, IN 46706
