

Dear Fall 2022 Intramural/SCSL Families,
Pre Season Info #1

We are all excited for the start of the season, so we are starting to get a lot of questions, mainly about rosters, practices, game schedules etc. Please, read through this info before hitting send on an email- We are always stretched thin, and our time is being spent on getting the season started, so emails and Facebook messages will often sit for a few days- Please, be patient.

But first-

We need Volunteers to make this work! So far, we have about 32 Head Coach volunteers for 42 teams. We are particularly short of Head Coaches for PeeWees (Looks like a lot of Assistants are about to get promoted!!!) LOL.

- **Out of the 450 kids registered in Intramurals , we have about 70 parent volunteer coaches, we need 90 or so,**
- **If you can volunteer to coach, please do it by logging into your account, and following the screens on the volunteer tab- We cannot register you in the system by email, you need do it on your account- By default, we will need to ask all Assistant Coaches to step up as Head Coaches**
- We need help at the Club staff level, as well- There are 3 or 4 of us who run registration, rent the fields, buy and repair the equipment, order 600 uniforms a season, sort them, train coaches, paint the fields, distribute practice gear, Club and Association paperwork, run background checks, manage Insurance, run the actual programs, communicate to the parents, and try to keep up with 20 or 30 emails a day. We should have 8 or 10 people to run a club this size
- Please contact me directly if you can help at the Club level- kmacdonald@perkvalleysoccer.org

FAQ

- **How do I know if my child is registered?**- Log into your account and look
- **When will rosters be posted?** When we are done registration and forming teams
- **When will schedules be posted?** After rosters are posted
- **What day does my child's team practice?** This will be decided by each Coach and their team- Literally, we do not know until the teams tell us
- **What time are our games?** All Intramural games are on Sundays, at Limerick Community Park, between about 12:00 and 4:30. Time slots rotate, so each team will play a few games in each time slot
- **What if we have a conflict on practice nights?** Tell us, and we will try to facilitate a switch
- **What about uniforms?** Uniforms have been ordered, and should arrive before the start of the seasons- We will distribute to the Coaches, who will distribute to the teams
- **I have sent 2 emails and a facebook messenger and no one answered me yet** Please, try to understand we are volunteers, and do not monitor the club email and social media accounts 24/7
- **If you really do need to email us, Please try to use a descriptive subject line- it helps**
