TOURNAMENT RULES & REGULATIONS:

August 15-17, 2025 (Boys) • August 22-24, 2025 (Girls)

Tournament Check-In: Check-in will be available ONLINE through the SINCSports website.

A team representative is required to either provide documents via online check-in and submit the following documentation for all USYS, US Club, or other USF affiliates:

1. Official 2025-26 Match Roster (and 4 copies)
2. Laminated Coach & Player Passes (Photo, Official Stamp, & Signature)
3. Player Medical Release Forms (provided by your state association or USSF affiliate) *Note: Medical release forms are not required to be uploaded through the online service but should always be available to the team at each match.
4. Guest Player Form (provided by your state association or USSF affiliate)
5. Notification to Travel for out of state teams (provided by your state association or USSF affiliate)

Eligibility: The tournament is an unrestricted tournament and is open to all USYS and USSF affiliate teams. No player shall play for more than one team during the tournament. Players must play within their age group classification or within an older age group classification. Teams must be properly registered and in good standing with their respective association or affiliate. All players must be properly registered with the team on which they are playing and must have a current player pass card. Please note that all documentation will be checked at tournament registration (see above).

Format: Only Classic (Select) level teams will be accepted into the tournament. Teams may be placed in a combined division at the discretion of the tournament. Divisional status and past results will be used to create fair and competitive divisions. All teams will be guaranteed three (3) games. Divisions of 3-10 teams will be created depending on the number of accepted teams in an age group.

Entry Fees: Entry fees are listed on the Permission to Host Form.

Roster and Passes: 2025/26 USYS, US Club, or other USSF affiliate team match rosters and passes will be used for this tournament. These will be presented by the team representative at check-in.

Laws of the Game: All matches played during this tournament will be played in accordance with the FIFA Laws of the Game. Some rules and/or interpretations provided by USYS and/or NCYSA for youth matches are incorporated, as well as some rules detailed in the USYS National Championship rules.

Field Check-In Time: Teams must be at the field 15 minutes prior to their match time and present themselves to match officials. Teams must be prepared to begin the match at the designated match start time. At the conclusion of the match, the referee will report the score to the tournament staff.

Guest Players: A maximum of five (5) guest players is permitted unless otherwise approved in advance by the Tournament Director. A team may only roster guest players from the corresponding level of play or from a lower level of play and must be from the same national organization as the hosting team. Teams bringing guest players may bring no more players than their maximum allowed roster size.

Ball Size: 10 thru 12 age groups shall use a size four (4) ball. All age groups 13 and older shall use a size five (5) ball.

Player's Equipment:

- A. Shin guards are mandatory.
- B. All players within each team must have matching uniforms. Each player shall have a number affixed to the back of the jersey and clearly visible. Numbered jerseys for goalkeepers are optional.
- C. Visiting teams must wear predominantly white or light-colored jerseys and socks. Home teams will wear dark colored jersey and socks. Where jersey colors for each team are similar or identical, the designated home team shall change jerseys. The (The "home" team is listed as the first team on the official schedule.)
- D. The goalkeeper must wear a jersey of neutral color.
- E. No jewelry may be worn on the field and medical bracelets or tags must be taped to the body.
- F. Casts or protective equipment may be worn only if approved by the referee.
- G. The referee will determine the legality and safety of all player equipment.

Inclement Weather: Regardless of weather conditions, coaches and their teams must be ready to play as scheduled. A forfeit is awarded if a team is not prepared to play within 15 minutes after the scheduled match time. Only the Tournament Director or his designated staff has the power to cancel, postpone or shorten the match prior to its commencement.

- A. Should a match be terminated due to inclement weather after the first half has been completed, the match will be considered official, and the score will stand.
- B. If a match in progress is terminated before the end of the first half or canceled due to inclement weather, it will not be rescheduled, and each team will be awarded a 0-0 score and one (1) point.
- C. Matches will not begin or will not continue if lightning exists in the area. Tournament Officials will determine when it is safe to resume play after lightning has been sighted.
- D. In age groups where the competition cannot be completed through the championship match due to inclement weather, the Tournament Director will determine the division winner and runner-up. The Tournament Director's decision will be final and will not be subject to protest or appeal.

Should games or the entire tournament be canceled due to inclement weather, there will be no refunds.

Players/Rosters: The maximum roster size is detailed on the Permission to Host form. One copy of a team roster is required to be provided to match officials prior to each game.

Substitutions: Teams are permitted substitutions according to FIFA laws and at any other time with permission of the referee.

Referee: The referee shall verify with the coach that players' equipment has been checked prior to each match. The score of the match must be reported to the tournament staff by the referee immediately following each match. Names of cautioned and ejected players must also be reported to the tournament staff.

Assistant Referees: The assistant referees shall assist the referee with field and player inspections prior to each match and perform other duties as dictated by the laws and the referee.

Match Duration: Match duration for 11-12U matches is 60 minutes. 13-19U is 70 minutes.

Ties in preliminary group matches stand with no overtime. Should a final or semifinal match end in a tie, teams will go directly into the FIFA Penalty Kicks from the Mark to determine the winner of the match with no overtime. Prior to starting the FIFA Penalty Kicks from the Mark, the referee must ensure that each team has the same number of eligible players in the center circle. If one team has finished the game with fewer players than the other, the FIFA Reduce to Equate rule shall apply.

Forfeits: A forfeit is awarded if a team is not present to play within fifteen (15) minutes following the scheduled start time of the match. In preliminary match play, forfeits are reported as 4-0 for scoring purposes. In the case of forfeiting, the winning team is awarded a 4-0 score and the forfeiting team receives a 0-4 score in addition to having one (1) point deducted from its total points. Matches abandoned due to fighting (both teams involved) will be considered double forfeits and each team will receive a 0-4 score and have one (1) point deducted from its total points.

Score Reporting: The tournament will be responsible for providing a match report to the referee. The referee will confirm the score with each team after the contest. Scores will become official upon receipt of the match report at the tournament headquarters. Any team has the right to review cautions and/or ejections involving their team at the conclusion of the match, by visiting the tournament headquarters. Cautions and ejections of players are not subject to appeal.

Division Standings: Division standings in preliminary match play will be determined by the following point system:

| | |
|---------|----------|
| Win | 3 Points |
| Tie | 1 Point |
| Loss | 0 Points |
| Forfeit | -1 Point |

Divisional Ranking and Team Advancement Criteria: At the conclusion of preliminary match play, teams will be ranked in their group based on the point system. Any situation in which two (2) teams have the same number of points will have the tie broken using the following criteria in the order listed, one after the other as needed:

1. Head-to-Head competition
2. Goal Differential (+/- 4 maximum allowed per match)
3. Fewest Goals allowed
4. Most Shutouts
5. FIFA "Penalty Kicks from the Mark" at a time/site to be determined by the Tournament Director.

If more than two (2) teams are tied, the sequence will begin at Goal Differential followed by the order listed until a team is eliminated. The remaining teams will then restart the sequence at Goal Differential until the tie is broken. If three teams are still tied after the tie breaking criteria and FIFA "Penalty Kicks from the Mark" must be taken, there will be a draw by the tournament committee. The first team drawn will receive a bye while the next team drawn will be the home team against the remaining team in the first contest of FIFA "Penalty Kicks from the Mark." The winner of the first contest will then compete against the bye team in FIFA "Penalty Kicks from the Mark" to determine the winner.

The bye team will be the home team.

*Please note: In consolation-level matches pairings will be edited, when possible, to avoid inter-club or inter-league matches.

Fouls and Misconduct: Any player ejected from the match will not be allowed to participate in their team's next match. An ejected player remains on the bench in a shirt other than a jersey and the coach is responsible for the player's behavior. *Ejections for fighting will result in the player not being allowed to participate in his/her team's remaining matches in the tournament. The Tournament Director shall make this decision with the recommendation of the referee and referee administrator. Any coach ejected from a match will not be allowed to preside as coach for that team's next scheduled match. In situations in which the coach has more than one team in the tournament, he or she is allowed to preside as coach for his or her other team's next scheduled match. Coaches and players ejected from a match must be out of sight and sound of the field before the referee will resume play of the match.

Parents and Spectators: Parents and spectators attending a match are required to be located between the penalty area line and halfway line opposite their team's bench area. Each coach is responsible for the conduct of their team's parents and spectators. Parents and spectators removed from a match must leave the facility for the duration of the match and must be out of sight and sound of the field before the referee will resume play of the match. In addition, parents and spectators ejected from a match may be banned from attending any remaining matches in the tournament at the discretion of the Tournament Director.

Fair play and good sportsmanship: Teams are encouraged to exhibit good sportsmanship throughout the tournament.

Protests: No protests will be entertained.
