

## IT'S GAME TIME!

The wait is over—this weekend marks the official start of games for our Fall season! Our In-House teams will be taking the fields at Northmoreland Park, and our Travel teams are also kicking off their schedules with matches both at home and away. No matter where you're playing, we're excited to see our kids back in action.

Opening weekend is always a special time—new teams, new opportunities, and the same great community coming together around the game we love. Thank you to all of our coaches, volunteers, and families who make soccer possible here at KASL.

This newsletter will keep you connected with league updates, reminders, and highlights throughout the season. We hope you'll join us in cheering on our players—whether at Northmoreland Park or at fields across Western PA.

Here's to a great Opening Day and an even better season ahead! ⚽

## Practice Schedule

Our In-House season is officially underway! We're excited to see kids out on the fields at Northmoreland Park this weekend and throughout the season. Opening Day is always a special time—new teammates, new skills to learn, and plenty of fun on the field.

Please keep an eye out for any schedule updates via email or our Facebook page. While safety is always a priority, games and practices will generally continue in light to moderate rain or snow. Standard procedure is to wait at least 30 minutes after a thunder strike before resuming activities.

Ultimately, parents and guardians should use their own judgment in deciding whether their child participates. We just ask that you keep your coaches informed about attendance so they can plan accordingly. Thank you for helping us create a safe and enjoyable season for everyone!

## Travel News

The Travel season is underway! This Sunday, September 7th, our teams are hitting the fields both at home and on the road. Please note that any weather-related changes to the schedule will be communicated directly through your individual teams, so be sure to stay in touch with your coaches.

This Sunday's home games include:

- U10 Boys – Coach Kosecki at 12:00 PM vs. Pittsburgh Dynamo
- U11 Boys – Coach Fitzgerald at 1:10 PM vs. Murrysville

**Volunteers Needed:** We're looking for parent volunteers to help set up and line fields. If you're able to assist, please reach out to your child's coach.

We're excited to see our Travel players back in action and appreciate all the support from families, coaches, and volunteers who make the season possible.
