

⚽ WEEK TWO HIGHLIGHTS! ⚽

Opening Day was a success! We hope everyone had a wonderful time kicking off the season. A big thank-you goes out to all who made the day possible.

Special shout-outs to Feliciana, Sam, Nicole, Lex, Carrie, and Aaron for their efforts, and to our incredible volunteers who kept the concession stand moving and the bounce house standing strong. We also want to thank our referees for helping keep all the games on schedule.

It was a fantastic start, and we're excited to carry this momentum through the rest of the season!

In-House News

We had a great first weekend and hope everyone enjoyed the Opening Day festivities! Thank you to all of the volunteers, coaches, and families who helped make it a success.

As a reminder, while we are an outdoor youth development program at a public park, smoking and vaping are prohibited during practices and games. We appreciate your cooperation in keeping the environment safe and healthy for the kids.

Looking ahead, please note that practice times will be adjusted slightly as daylight hours decrease. Updated times will be shared within the next couple of weeks – stay tuned!

Finally, please remember to **arrive at least 15 minutes before your game time**. This allows for proper warm-ups, player check-ins, and helps keep later games running on schedule.
