

*Ben CALDARERA* | GIRLS CENTRAL ASSOCIATE DIRECTOR

Ben grew up playing his entire youth soccer career here in the Houston area and is very familiar with the soccer landscape. He went on to play college soccer at Centenary College of Louisiana and returned home to give back to the community that he adores. He has been a youth coach for 10 years and this will be his 7th year here at AHFC. Ben use to be addicted to hokey pokey but he's turned himself around, always smile!!!
