Sponsorship of PAL Soccer League Teams

*Help us keep player registration fees low by sponsoring one of our teams,
with your name on their uniforms and the establishing the team's identity.*

- Affordable registration fees promote greater participation in our youth recreational soccer program, available to all children from ages 3 to 18. In 2022, we had 1,242 players enrolled.
- Sponsor fees are used for operating our program, such as:
 - Underwriting registration costs for children in need or with disabilities (43 in 2022).
 - Funding required national/state background checks, training courses and team shirts for our coaches, who are all volunteers (167 in 2022).
 - Repairing and/or replacing equipment (we own our soccer goals and nets).
 - Purchasing field-marking paint (over \$2,400 last year).
 - Covering administrative costs (e.g., printing, mailing, advertising, etc.).
- We are all unpaid volunteers; none of us receives any compensation.
- We do not employ or pay any organization or individuals to raise funds for us.
- Sponsors may not be solicited for additional funds or other support by any person associated with PAL but sponsors on their own may give additional help to their teams.
- Sponsors are recognized on the sponsor page of the PAL website; logo on PAL home page for \$1000+.
- Sponsors exercise no operational control over their teams; that's up to the coaches.
- Sponsors and coaches to be placed together must both sign a separate *PAL Pairing Request*.
