

Allen Turner Chevrolet Supporting Local Youth With Chevy Youth Sports
Allen Turner Chevrolet to provide Niceville PAL Soccer with monetary contribution and fundraising opportunity

Crestview, Oct. 1, 2025 – Allen Turner Chevrolet is partnering with Niceville PAL Soccer on the Chevy Youth Sports program, a partnership program built to position Chevrolet as the Official Vehicle of Youth Sports while providing an opportunity for local youth sports leagues to grow.

The partnership features a one-time monetary contribution to assist Niceville PAL Soccer with registration fees, equipment costs, facility maintenance and other administrative fees. The program also provides an opportunity for community members to earn additional funds for the league via a Test Drive fundraiser.

“Sports can help kids develop skills like leadership, cooperation, and sportsmanship while bringing families and communities together to show their support,” said Megan Estrella, Social Media and Engagement Coordinator for Allen Turner Chevrolet. Allen Turner Chevrolet and Chevy Youth Sports are proud to help Niceville PAL Soccer bring so many smiles to kids and families in Crestview. “Chevy believes in the power of play as a way for young people to build the skills needed to be successful in the future.”

The Chevy Youth Sports program gives Chevrolet dealerships the opportunity to provide support for youth athletic programs across the country. In 2025, over 650 Chevrolet dealerships will participate in the program nationwide.

“Chevrolet vehicles are designed and built with busy families in mind, featuring a comprehensive suite of available safety features, technologies that make the journey more comfortable and engaging for the entire family and the space and flexibility needed to haul people and cargo. We encourage everyone to come take a look at what Chevrolet has to offer,” said Estrella.
