

PAL Soccer League Uniforms Pickup Procedures

1. Using the team uniforms roster provided by AAU, inventory the order.
2. If the order matches the uniforms roster, sign AAU's copy of the uniforms roster. Your signature confirms the accuracy of the order.
3. If there is a discrepancy, AAU will try to correct it. If AAU is unable to resolve the discrepancy, both copies of the uniforms roster will be so annotated and you will be advised how it will be corrected.
4. Distribute the uniforms to the players based on the sizes listed on the roster. A parent who thinks the size on the roster is incorrect, should call or text Howard Hill at 850-855-6120 to confirm and find out how to proceed.
5. Mistakes made by AAU or PAL will be corrected at no cost; parents will be responsible for paying to remedy any mistakes made by them.
