1. **Laws of the Game:** All tournament matches will be played in accordance with FIFA laws of the game except as specifically modified as follows in the Tournament Rules.
 - a. **HEADING RULE AT AGE GROUP DIVISIONS U11 AND YOUNGER**
 - i. Whenever the ball strikes a player in the head, play is stopped. The proper restart depends upon whether the player deliberately played the ball with his or her head. If deliberate, the proper restart is an indirect free kick to the opposing team. If this occurs within the goal area, the indirect free kick should be taken on the goal area line parallel to the goal line at the point nearest to where the infringement occurred. If the play by the head is deemed in advertent, then the proper restart is a dropped ball.
 - b. **U9 AND U10 TEAMS PLEASE READ - 7v7 (U9 and U10) BUILD OUT LINE**
 - i. When the goalkeeper has the ball, either during play (from the opponent) or from a goal kick, the opposing team must move behind the build out line until the ball is put into play. Once the opposing team is behind the build out line, the goalkeeper can pass, throw or roll the ball into play (punting is not allowed). After the ball is put into play by the goalkeeper, the opposing team can cross the build out line and play resumes as normal. If a goalkeeper punts the ball, an indirect free kick should be awarded to the opposing team from the spot of the offense. If the punt occurs within the goal area, the indirect free kick should be taken on the goal area line parallel to the goal line at nearest point to where the infringement occurred.
 - ii. **OFFSIDES** – the buildout line will also be used to denote where offside offenses can be called. Players cannot be penalized for an offside offense between the halfway line and the build out line. Players can be penalized for an offside offense between the build out line and goal line.
