Dear Soccer Families,

Welcome to Stafford County, Virginia! The County is proud to be a sponsor of the 25th Annual St. Patrick's Day Soccer Tournament. We hope that all of the participants and their families will enjoy the weekend of activities.

Hosting great families like yours is a Stafford tradition. This county was founded more than 350 years ago. We have hosted many famous families including Chief Powhatan and his daughter Pocahontas. Abraham Lincoln visited Stafford often and brought the first lady and his son, Tad to Stafford on his fourth visit here in April 1863, Tad's tenth birthday. The famous Washington family and their young son, George moved to Stafford County when George was six.

Stafford's Visitor Center is open all weekend and is located at 224 Washington Street, Fredericksburg, 22405 (Exit #133.) The Visitor Center is located at Gari Melchers' beautiful Belmont. It offers a beautiful river view and Melchers' magnificent oil painting in his art studio. The free nature trails and glorious gardens are beautiful year round. Please stop by our visitor center and learn how best to enjoy your time in Stafford.

If you are closer to exit #143, plan to visit Government Island – America's Historic Stone Quarry. This park is a scenic heritage trail where the stone that built the U.S. Capitol and White House was cut from the ground and sent north by boat to Washington, D.C. The trail includes interpretive signs, a wonderful water overlook, a half mile boardwalk and a one mile loop around Government Island. The address is 191 Coal Landing Road, Stafford, 22554.

In the same place you are more than 150 years ago, the Civil War engulfed Stafford County. 150,000 troops occupied the county and far outnumbered its residents (by 11 – 1). The White Oak Civil War Museum tells the story of America's greatest conflict and how soldiers and civilians survived. This museum is a close drive from Exit #133. You will be amazed at the thousands of artifacts and at the powerful and profound stories they tell. Don't miss the opportunity to visit. The museum is located at 985 White Oak Road, Fredericksburg, VA 22405.

No trip to Stafford County is complete, without a visit the boyhood home of George Washington. The man who grew to become "the father of his country" moved to Stafford County at the age of six, in 1783, and lived here until he was 22. He learned how to be an expert horseman, taught himself to survey land and how to be guided by the "Rules of Civility" which he memorized and practiced every day. Take the self-guided iPad Tour (iPads available for loan) and learn more about the life of the young George. Significant archeology research is revealing new information about this single mother's struggle to raise a family during the colonial period. You can visit George Washington's boyhood home in Southern Stafford at 268 Kings Highway, Fredericksburg, VA 22405.

We hope that you spend a few hours, between games, enjoying our history, local restaurants, recreational resources, arts, entertainment and to learn more deep and diverse history of Stafford County.

Sincerely,

Stafford County Tourism Team
