

# ***AYSO Region 73 Bakersfield, California***

***An AYSO Platinum Region***

In order for our program, now in its' 39th season, to meet its financial responsibilities, it is essential that we obtain sponsorship for the teams participating in the 2016 Fall season at the new State Farm Sports Village. Sponsorship funds are used to meet the costs of providing a high quality soccer program in a fun, safe, family environment.

Such funds are used for the general operating expenses of the Region and specific team related expenses such as coach handouts, training materials, sponsor plaques, and supplies.

All management and operational services necessary to run and maintain the Region are provided by volunteers who donate their time (without pay) for the benefit of the kids. We cannot emphasize enough the critical role that sponsorship plays in providing a successful youth soccer program for the children.

A team's sponsor is typically displayed prominently on the team banner, which is to be displayed at each of the games, and all sponsors are listed on our website ([www.region73.org](http://www.region73.org)). In addition, we provide the sponsor with an appreciation plaque at the end of the season.

Team sponsorships for the 2016 Fall season are \$295. Sponsorship fees are tax deductible (FEIN # 95-6205398). A sponsorship can be established by completing a sponsorship form, and providing the sponsorship fee by check, payable to AYSO - Region 73.
