2023 is here! The winter break is over, and we're already playing Winter League games again. But that's just the warmup for the weeks and months ahead.

Between now and the end of May, we'll have teams competing for tournament championships in Georgia, Mississippi and across Florida. If the success of our elite teams continues in the Florida Club League, we could also have multiple teams playing in the National Premiere League Finals in Colorado.

We also have big plans for Tallahassee. In February, our Future Stars, Rising Stars and Recreation programs begin their spring seasons. And in March, we host the 14th edition of the Florida State Invitational with 150 teams coming to our city. Let's go!

## WINTER TOURNAMENT ACTION

Our players earned their rest during the holiday break after a busy start to December.

During the first weekend of the month, our 2008 Elite Boys played in the top bracket of the Generation Adidas Norcross Cup in Atlanta. Their only loss was against an MLS Next team in a 1-2 game that we played with 10 players for 60 minutes. It was an outstanding overall showing for our team. The only thing better than how we played was having Captain Khushaal spend time with the team at the tournament.

The following weekend, our 2004/06 Elite Girls and 2004 Elite Boys played in Foley, Alabama at the Gulf States Showcase.

Our boys went undefeated and won their bracket with impressive wins against Saint Louis Scott Gallagher, Cajun Rush and FC Dallas. Players from both our boys and girls teams were also able to spend time talking to college coaches attending the showcase too.

## OFF-THE-FIELD FUN

We proved in December that we can have just as much fun off the field as we have on the field. Our club hosted a World Cup Watch Party at Walk-Ons Sports Bistreaux to cheer on USA against the Netherlands. We also hosted a holiday party to celebrate all of the coaches and team managers who work hard all year to support our players.

## WINTER LEAGUE ACTION

The Winter League season continued in December for our Academy and younger elite players. The season consists of one practice and one game each week for five weeks. The final three weeks of the Winter League season will be played this month.
