

## WCSC Reschedule Procedures and Rain-Out Reschedules

The rescheduling of games affects many people and takes time.

If you have a valid need to request a reschedule, please follow this procedure to have your request considered. Not all requests can or will be approved.

- Notify: [info.wcsc@gmail.com](mailto:info.wcsc@gmail.com) and [rosenston@fuse.net](mailto:rosenston@fuse.net)
- If you need to reschedule a game for reasons other than rain-out, notification must be to us no less than 10 days before the originally scheduled game date. Only 1 reschedule special request per team will be considered.

To request a reschedule: (procedure is the same for rain-outs)

- You need to call the other coach and determine 3 alternative nights to play.
- You and the other coach need to agree to a date 10 days in advance of the originally scheduled time and have alternative dates suggested.

After gathering ALL the required details:

- You are required to email Marcie Rosenston at [rosenston@fuse.net](mailto:rosenston@fuse.net) with your request for consideration and include the following:
  - Both coaches' names and team info .... Example: girls wings or boys passers
  - Date, time and field # of original game
  - Reason for the request for game change
  - Preferred make-up date, followed by 2 alternative dates
  - Your email address, this is how you will receive your reply

Once you have gotten the email confirming the reschedule:

- You need to contact the opposing coach to let him/her know all of the details concerning the reschedule. Please get a confirmation from the opposing coach.

Date

Time

Field

FYI: If you are the visiting coach -- bug the heck out of the home coach until it gets rescheduled. If they are having problems getting fields - Marcie be able to secure a field at Hopewell - they would need to bring their own referees or pay ours the WCSC rate.

As a reminder, not all requests can be approved.

**Our Mission ...** The West Chester Soccer Club brings SAY sanctioned recreational youth soccer to the families of West Chester Township. Our goal is to provide the highest quality recreational soccer program in the Southeastern Butler County/Lakota School District area.
