

CLL COVID-19 Safety Guidelines Update – March 25, 2021

Dear CLL Families,

As we have communicated with you in the past, we will continue to monitor all safety guidelines and recommendations pertaining to COVID 19. We continue to keep safety paramount, while also providing our players, coaches and spectators with the least restrictive situation.

At this point, we are going to lift the mask requirement for ***on field play only***.

- ***On field play = Mask not required when the players are on the field actively playing positions.***
 - Players may choose to continue to wear masks while playing.
- **Players and coaches should continue to wear their masks when in the dugout area.**
- Coaches must continue to encourage and ensure the players remain a minimum of 6 feet from others when playing on the fields.
 - Discourage player / team gatherings of less than 6 feet.
 - **Coach / player meetings on the mound or similar situations require coach to wear a mask**
- **All players, coaches, parents and spectators should continue to wear their masks when entering and exiting the complex.**

This is a decision that we did not arrive at lightly. **We are confident that this is the exact same policy we had in place for the summer and fall**, additionally, this decision falls in line with the order of the Secretary of Health of Pennsylvania.

- The Order requires individuals to wear a face covering when indoors, irrespective of physical distance.
- **When outdoors, one must wear a face covering when with others who are not members of the person's household and unable to maintain sustained physical distance.**
- The Centers for Disease Control and Prevention **(CDC) updated its definition of close contact to "someone who was within six feet of an infected person for a cumulative total of 15 minutes or more over a 24-hour period."**

Please be advised that in an effort to keep large gatherings from happening, we will not be having an Opening Day Ceremony this season. **Games will begin on Tuesday, April 6.** Game schedules are being finalized and should be available by the end of the weekend!! Thank you for your continued support and flexibility.

Sincerely,
CLL Board of Directors
