Date: January 9, 2021

Dear Potential Sponsor,

Happy New Year! Fort Gratiot Little League has been a chartered member of Little League Baseball since February 2, 1952. This year, FGLL is celebrating its 69th birthday! We are very glad that the community is such a large part of our organization. We would not be going on 69 years without your support.

I would like to thank you in advance for taking a few minutes of your time to discuss a very exciting topic....youth baseball/softball for boys and girls ranging in age from 4-17.

FGLL has grown to be one of the highlights of the spring and summer for many of our area's children, parents and fans. Last year was an unexpected year off due to COVID restrictions and youth sports were sadly missed by families everywhere. With increased knowledge, protections, and precautions we are looking forward to getting back on the field this spring and bringing back at least some sense of normalcy for our players!

However, it also means we need more corporate sponsors to help fund the program and cover increasing costs.

You may not realize this, but Fort Gratiot Little League has never, and will never, turn a child away due to financial hardship. Every year we sponsor several players that fall into this category with no cost to the family. We believe strongly in the benefits of playing and work hard to share this opportunity with as many youth in our community as possible.

We are incredibly grateful for the generous contributions from our partners and we are asking for your support again this year. Our sponsorship categories allow you to customize your sponsorship to suit your preference. Please review the sponsorship categories in the enclosed flyer. We look forward to a great partnership with your organization!

Fort Gratiot Little League is a 501(c)3 organization.

Thank you so much for your continued support and generosity!

Best Regards,

****Please note: if you sent in a sponsorship for a team last year it will be automatically applied to this season. However, if you would like to add to that with a gift this year we would be happy to "upgrade" your sponsorship package.***
