Mercy Rule: when the lead meets or exceeds 20 points, the clock will continue to run even during the last 1 minute of the half or game. If lead dips below 20 points, normal timing resumes. 30 point lead: no double teaming by the team in the lead except in the lane, and all defenders must be inside the 3 point line. If ref determines team behind is stalling, defenders may come out beyond the 3 point line.

Special Rules for 5/6 PNT League:

3-on-3 | half court

Coaches may be on the court but must not interfere with the game or players

No 3 second rule

At halftime every player shoots a free throw that counts if made

All dead balls (jump ball, out of bounds, non-shooting foul) throw-ins are at top of the key

Throw-in player may start the action by dribbling or passing

To start the possession the offensive player gets a 3 foot space

On defensive rebounds and live ball turn overs the ball must be taken back outside the 3 point line before the offensive team can attempt to score. To clarify

Typically this will occur by the referee whistling for the ball and restarting the play of the game from the top of the key as most of our 5 year olds and first time players need this direction.

By end of season - if players are advanced enough to understand the "take it back" concept (i.e. the player who gets the defensive rebound or steal then dribbles it back outside the 3 point line and resumes on offense) and can execute it correctly, the referee MAY begin to allow this to occur.

"Taking it back" - it is our goal to begin to transition kids to understanding this rule by the end of this season.

Coaches & Team Managers:

No adult allowed on the bench without a coaching badge. All WBBL coaches and team managers who intend to be on the bench during games are required to submit a background check and receive a coaching badge from the City of Knoxville Parks & Rec.

This is a City of Knoxville regulation.

Coaches should have their badge with them at practices and badges should be worn at every game.
