### March 2021 Newsletter

#### A message from your TSC Administrator:

Hello TSC Families!!

Your TSC Board of Directors have been working hard to prepare for the 2021 - 2022 season. We have been working on updating all our policies and procedures, preparing to participate in the Kitsap Great Give (April), and planning for Select Tryouts (May.) We have now opened registration for UK International Summer Camp which will be held in July. We will soon be painting (weather permitting) our refurbished equipment shed. If anyone is available to help us paint the TSC Equipment Shed at Gordon Field, please email our President Tim Roche at [President@TracytonSoccer.com](mailto:President@TracytonSoccer.com). Any help you can give us in this endeavor will be greatly appreciated.

Recreational Soccer Registration is scheduled to open on April 15th. We are working on the details regarding payment. Our plan (depending on Regional Covid Protocol Phases) is to begin practices in August with games commencing on Saturday September 11th. Check your email, [www.tracytonsoccer.com](http://www.tracytonsoccer.com) and watch social media for more information. We will have more for you by the end of the month. We really missed all of our families last year and are very excited to see them back out on the pitch in the fall!

Tracyton SC Select teams (U9 - U13) started up games last weekend! It was great to see some of our players back on the pitch and into games again. They are competing in a six game season in the [North Puget Sound League](#). Once the games are completed, all our Select teams will compete in [Washington Youth Soccer Founders Cup](#). Just a quick reminder that anyone that attends a game or practice must follow all field and safety rules for that facility.

Remember to follow us on Facebook and Instagram and watch our website to stay up to date on all the TSC happenings

As always, if you have any questions, concerns, or ideas please don't hesitate to contact us.

This is your club and together we can keep it GREAT!!!

Thank you,  
Susie McGill
