

## McLean Youth Soccer Registration Fee Policy

Players will **ONLY** be permitted to participate with McLean Youth Soccer Club's organized leagues if one of the requirements below has been met:

- Player participation fees have been paid in full prior to the first scheduled game (Recreation).
- Player participation fees have been partially paid prior to the first scheduled game in accordance with the installment payment dates with the remainder of the fees paid in FULL on or before DECEMBER 1st (Travel).
- The McLean Youth Soccer staff has received a scholarship form before the deadline of two weeks before the start of the season (Recreation) or November 1 (Travel) and communication has been made with the scholarship applicant about payment plans.

When a player commits to a MYS *Travel* team, completes their registration and submits their payment according to the requirements listed, the player is considered registered with the Club. Each player is bound to the Club for the entire seasonal year, which runs from July 1 through June 30 of the following year. Each family is obligated to the full financial commitment, regardless of the choice made.

When a player registers for MYS *Recreation* league and submits payment they are considered registered with the Club for the seasonal choice they have indicated – Fall only, Full Year (Fall and Spring), Spring only. Each player is bound to the club for the entirety of the seasonal choice made at time of registration.

All MYS fees paid are NON-REFUNDABLE.

McLean Youth Soccer will make an effort to collect past due fees (Travel) as appropriate with potential for removal of current and future playing privileges. A player's eligibility to practice or play with their team will be REVOKED if full payment is not submitted by December 1.

Please remember that MYS is a nonprofit organization that is funded primarily through registration fees. Disregarding the payment of fees can result in increased playing costs for all players
