

University Place Soccer Club

2021 Fundraiser

Hello Parents and Guardians!

Welcome to the 2021 soccer season! We are happy to have you and your child back on the fields! In order to continue having an incredible soccer club, we will be doing a fundraiser with Tacoma Defiance! We will be selling tickets to the Tacoma Defiance vs. the Phoenix Rising FC. We will be using an online forum, Fevo, to sell tickets, making selling the tickets super convenient! We will be emailing a forwarding link to all the contacts that we have for parents and guardians as well as sending a sheet of printed links home with each player to cut and hand out to neighbors/friends/family etc.

This year, to add a little flame to the fire, we will be giving the player who sells the most tickets an autographed jersey by a Defiance player! We have other prizes such as a signed ball, shirts and other merchandise. Let's get the kids excited to be a part of something great! We have an entire section of the field reserved for just our clubs' players friends and family during the game. What a fantastic opportunity for team building as well as some wholesome family fun!

Tickets are \$18

Game Date is Saturday, September 25th @ 7:00
