Publicity

Please, after each game, email **Pete Trenchard** with the score and the names of two or three players to be put in the West Haven Voice each week.

It is great for the players to see their name in print so make sure that you use different names each week. Someone does not need to score to “play great defense” or “to have a great game” etc.

Go to our **website** and click on **Publicity** (or use Publicity@WHYSL.org) to email your information before 9:00am on Monday following the game. That is the deadline for the paper.

NOTE: Pete submits everything that he receives to the paper and, depending on the space available; they cut the article to fit.

THANKS.
