PALOS VERDES YOUTH FOOTBALL & CHEER 2023 CHEER STUDENT DEMONSTRATOR – COACH-TRAINEE APPLICATION

Welcome to the Palos Verdes Cheer program! Coaching and training young people is an exciting way to be involved in sports, but it isn't easy! There are many responsibilities involved in helping our young athletes through their early sporting experiences and requires more involvement. It involves teaching proper technique, choreography and, teaching cheer routines all while emphasizing safety. **Most importantly, you must be a positive role model to your team, your community and the Palos Verdes Cheer Program.**

The Palos Verdes Cheer program follows the Pop Warner rules for all student staff volunteers. All student staff volunteers are certified, as all other minors participating, in the program by providing parent permission, a physical, proof of age, scholastic eligibility and photo ID. All our student staff volunteers are required to attend all mandatory safety clinics.

A Student demonstrator must be at least 15 years old or 14 and on a High School Squad. A coach-trainee must be a minimum of 16 and maximum age of 17 in order to participate in the Pop Warner/Palos Verdes Cheer Program. Both student staff volunteer positions are required to have at least two seasons prior cheer/dance experience. They will work with teams that are at least two years younger than their current age. Under the direct supervision of the Head Coach, they are not allowed to conduct a practice but may be used to demonstrate moves, techniques and, teach words to cheers. All of our cheer staff has a responsibility to do everything possible to ensure that each player will have an enjoyable and safe experience while they learn new techniques and skills. If you are ever in doubt about your approach, remind yourself that FUN, FUNDAMENTALS and SAFETY are the most important.
