

SNO-KING YOUTH CLUB'S MODIFIED FALL FLAG FOOTBALL PROGRAM

We are excited to announce SKYC's Modified Fall Flag Football Plan!

Currently, we are in *Phase 2* of Governor Inslee's Safe Start Plan. Once we reach Phase 3, we may continue with our normal Fall Program with Games (minus spectators/abiding by Phase 3 Guidelines).

Until we reach *Phase 3*, we have created a *Modified Plan* that enables teams & coaches to still enjoy SKYC's very own Flag Football League in our local community, while still adhering to Phase 2 guidelines!

Please see below SKYC's Modified Flag Football Plan:

Registration Close Date: September 5th (If you haven't registered, please do so ASAP)

NOTE: If you already registered for the Fall Season, you DO NOT need to register again. We will use the same registration information.

Season Start Date: The week of September 21st

Season End Date: The week of November 9th OR 16th

Season Daily Schedule: The Official Schedule will be sent to all teams. Please note, *Phase 2* is practices ONLY and each team will practice once a week with no games. If and when we advance to *Phase 3*, we will be able to begin playing games.

- Practice days may vary during the week, but primary day of play will be Monday OR Friday Nights between 5 – 8 pm (younger grades will play first)

Session Duration: 60 minutes per team once per week.

Team Formations: Teams will be formed mid-September and SKYC Families will be notified of their schedule at that time.

Coaches: ALL teams will be coached by our Volunteer Coaches.

Jerseys: Team Jerseys will be distributed at Coaches Day.

Equipment: Footballs & Flag Belts will be distributed at Coaches Day.

Fields: Each team/coach will be assigned a specific field location & time to practice at for the duration of the Fall Season.

Example: 1st/2nd Grade Miller – Meadowdale Playfields Grid 1A

SKYC will distribute a field map to all teams prior to the first session

Phase 3 Plan:

If we do enter Phase 3 at ANY point during our Modified Fall Flag Football Program, we will begin the Season as normal with our leagues, following *Phase 3* guidelines.

NOTE: Once we advance to Phase 3, we will be doing everything we can to complete the game schedule and release to ALL families as soon as we are able to.

Please visit [skyc.net](https://www.skyc.net) and click “COVID-19 Update to view SKYC’s Covid-19 Safety Protocols that will be implemented no matter which *Phase* we are in. All participants & parents **MUST adhere to the guidelines of the current *Phase* we are in.**

Sno-King Youth Club looks forward to bringing back Flag Football to the Edmonds Community!
