To Shepaug FC Community:

Welcome to the Spring 2024 Shepaug FC soccer season! We are excited to start another season of soccer and development programs for the young people of Roxbury, Washington, Bridgewater, and surrounding towns. Welcome Warren to our Shepaug FC community!

The Shepaug FC has been serving our community for 52 years (formerly known as Shepaug Soccer Club and before that the Washington Soccer Club), offering developmental and travel soccer programs in Winter, Spring, Summer, and Fall for boys and girls ages 3 to 18. We want to congratulate, and we take great pride in the Shepaug High School Varsity Boys Team, which achieved a 2nd place finish in the competitive Connecticut State Finals in Fall of 2023, among various other accolades. On this team, nearly every player on the Varsity and Junior Varsity teams started playing soccer in our Shepaug FC.

The Shepaug FC is a not-for-profit organization, we have experienced increasing costs in every aspect of the organization, from field maintenance costs, to league fees, website, coaching, and equipment. We are at a point where we must raise our fees to balance the budget. We are doing everything we can to manage the costs to keep registration fees as low as possible. Please reach out if you cannot pay these fees as we have a modest budget for hardship registration reductions.

We hope that you and your families have been enjoying what the Shepaug FC has to offer. We are a close community, and we are asking for your help in the following ways:

- Sign up your kids for Shepaug FC soccer, and please do so early. If you sign up early you will receive a discount and it will help us to plan the season.
- Tell your friends and encourage them to sign up their kids. The more the merrier!
- Volunteer, volunteer, volunteer. This organization is dependent on your participation, we need help in coaching, managing equipment, and in many other ways. And your registration fees will be lower.
- Donate, if you can. For those who can give to the organization, this will help us to balance the budget and to plan for the long-term.

Sincerely,
