

**Westport Soccer Association (WSA) uses Melio to send referee payments.**

Payments are typically sent the week after games are worked. You will receive an email from Melio when your payment is ready.

First-time users will be prompted to create a Melio account and choose how to receive payments:

- Direct Deposit (ACH)
- Paper Check

Please note:

- WSA does not collect or store any bank account information.
- Banking details are entered securely by you directly in Melio.
- Once set up, future payments will be sent using your selected payment method.

Please watch for emails from Melio and check your spam/junk folder if needed.
