

North Allegheny Girls 5v5 league

This winter North Allegheny Girls Soccer will be hosting a 5v5 league for elementary school age girls. Our goal is to provide an experience that they will love the game and build relationships with teammates that will last beyond a soccer field. Teams will be formed from community players from the different elementary schools in North Allegheny. Ideally, we would like to have teams formed from the same schools but that will be determined by who signs up. If you are interested in playing, trainings/games will be held on Tuesday evenings at the North Allegheny Intermediate Upper Gym. The league will consist of 5 games and 3 training sessions. Games will be 50 mins with a halftime and training will be 50 mins. Sessions will start on January 6th and finish on February 24. The cost will be \$125 per player. Check to "Players First Soccer Management" or cash payments will be collected at the first session.
