

Dear Sponsor:

La Jolla Youth Soccer is a non-profit, community-based youth soccer league that has served our community for 40+ years. Over 1500 children and teens ranging from ages 4 to 18 participate in our recreational and competitive programs. Our mission is to provide a program that not only teaches the sport of soccer, but also promotes a healthy lifestyle and teaches teamwork, strong character and self-confidence.

To ensure the growth and affordability of the league, we are asking the business community for its continued financial support for the upcoming season. We will promote our business partners to our league families and the general community in various ways. In addition, sponsors will receive the satisfaction of helping the youth of our community. Your sponsorship will help us meet the costs of running the league, including fees for field use and maintenance, equipment, our scholarship fund and administrative costs. Your sponsorship is also tax deductible.

We appreciate your consideration and look forward to your support in the upcoming season!

Sincerely,

*The Board of Directors*

La Jolla Youth Soccer
