### OMAHA UNITED SOCCER CLUB

#### IMPORTANT AGE GROUP CHANGE 2026–2027 SEASON UPDATE

##### 📅 NEW AGE GROUP CUT-OFF BEGINS AUGUST 1, 2026

US Club Soccer is moving from a calendar-year age system to a school-year based system. This means players will now be grouped by August 1 – July 31 birthdates — better matching school grade levels.

##### ? WHY THE CHANGE?

###### 💔 Fewer “Trapped Players”

Players will be less likely to be stuck between age groups because of late birthdays.

###### 💔 Play with Classmates

Teams will now better reflect school grades and peer groups.

###### 💔 Stronger Team Development

More consistent age and social development within teams.

##### KEY DATES

Registration Opens: June 1, 2026

New Age Cut-Off Starts: August 1, 2026

Season Ends: July 31, 2027

##### 📌 WHAT THIS MEANS FOR OMAHA UNITED FAMILIES

- ✓ Your player may move to a new age group
- ✓ 2026–27 tryouts and teams will follow the new cut-off
- ✓ Most players will now play with others in the same school grade

## INSIDE THE CLUB HOUSE

We are excited to announce that for the 2026/2027 soccer season, Omaha United will be updating our registration process to better align with Nebraska State Soccer. As part of this change, we will no longer be using Sports Connect.

Starting with the upcoming season, all player registrations will be handled through PlayMetrics, the platform now required by Nebraska State Soccer. This change will streamline the registration process and ensure all players are properly registered at the state level.

In addition to PlayMetrics, Omaha United will launch a new club website in May, which will provide additional resources and make registering your player even easier. More details, including step-by-step instructions for registration, will be shared closer to the launch.

We appreciate your understanding and cooperation during this transition. Our goal is to make the registration process smooth and efficient, so players can focus on what matters most—getting ready for a fun and competitive season!

Stay tuned for updates and instructions on how to register through PlayMetrics and our new website.
