## Highlights

### New Year!

The start of 2026 represents more than just a new calendar year for our soccer club, it's a fresh chapter filled with unlimited possibilities. Like the first whistle of a new season, January brings renewed energy and the chance to write new stories on the pitch.

This is our time to set ambitious goals, strengthen our team bonds, and push ourselves to reach new heights. From improving skills in training to competing in tournaments and building our community, we're ready to embrace every opportunity ahead.

Cheers to a fresh start, new goals, and a year full of growth and success in 2026! Let's keep building something special...together.

### Coach Of The Year

We're proud to announce that Coach Enrique Almonte has been named Coach of the Year! Leading our 2016G Black, 2015G Black, 2013G White, and 2012G White teams, Coach Almonte has demonstrated exceptional dedication to player development throughout the season.

This recognition is well-deserved for a coach who consistently puts his players first and never stops believing in their ability to grow. Congratulations, Coach Almonte – thank you for your dedication to making our players the best they can be!
