District 33 has teamed up with *Mike Pieratt* to provide our coaches an opportunity to learn proper coaching techniques as we head into the 2024 Spring Baseball season. Mike and his staff have been mentoring and teaching coaches for over 30+ years at various levels. Mike and his All-Star staff have over 1,000 high school wins between them. They're looking forward to working with you at this year's District 33 coaching clinic. Don't want to miss it.

District 33 Safety Officer, *Stephen Seefeldt*, will be presenting a safety clinic at the conclusion of the coaching clinic for all those who are in attendance. Important information will be covered that you should know before starting the 2024 season.

Both Clinics Meet District Tournament Requirements.
