District 33 is proud to host this clinic to provide our coaches an opportunity to learn proper coaching techniques as we head into the 2026 Spring Baseball season. We have gathered experienced coaches from around the district to share their methodology with you. They're looking forward to working with you. Don't want to miss this clinic!

Danyell DiLena, District 33 Coach Coordinator, will be presenting a safety clinic at the conclusion of the coaching clinic for all those who are in attendance. Important information will be covered that you should know before starting the 2026 season.

You must sign in and out at both clinics to get credit for attending any District and League approved clinics. Your name on the sign in sheets will be proof that you attended a clinic.

We encourage you to use the [Pre-Registration Link](#), it will help speed up with the sign in and sign out process on the day of the clinic.

All participant names upon completion of any District approved clinic will be added to our [2026 Clinic Attendance List \(Google Sheets\)](#). Be sure to check to see that your name is listed.
