District 33 is proud to offer its second Coaches & Safety clinic for 2026. We have structured this clinic for the Intermediate, Junior and Senior Division coaches. **Pete Famolaro**, former *Allied Gardens Little League* and *Patriot League* coach will return to share his coaching techniques with you as we head into the 2026 Spring Baseball season.

Pete also has gathered experienced coaches from around the district to share their methodology with you as well. They're looking forward to working with you.

Don't want to miss this clinic!

## **Coaches Clinic** **12:00pm to 1:30pm**

Learn how to run effective and fun practices. Learn how to teach basic skills to your players. This session will offer hands-on training and is valuable to first-time and experienced coaches in the Teenage Divisions. Bring a glove and dress in athletic gear.

## **Safety Clinic** **1:30pm to 2:00pm**

Some of the topics that will cover include evaluating injuries, initial treatment for injuries, basic first aid and concussion protocols.

You must sign in and out at the clinic to get credit for attending any District or League approved clinics. Your name on the sign in sheets will be proof that you attended a clinic.

We encourage you to complete the online [Pre-Registration Form](#), it will help speed up the sign in process on the day of the clinic.

All participant names upon completion of any District or League approved clinics will be added to our [2026 Clinic Attendance List](#). Be sure to check the list to see if your name is listed in a day or so after attending a clinic.
