

SSC DUAL ROSTER AGREEMENT  
2023/2024 SEASON

In May of 2022, the Simsbury Soccer Club (“SSC”) voted to pilot a dual roster (“DR”) policy for travel players in the U11-U15 program. Following the vote, SSC promulgated a DR policy that set for the requirements for any player/family wishing to DR. A copy of that policy is available on the SSC website. As part of that policy, any player and family wishing to DR must review and execute this document to demonstrate their understanding of the SSC DR policy.

1. It is understood that DR is available to any SSC travel player at the U11 or above age level who is approved by the SSC Board, who adheres to the DR policy and who attends a joint meeting between the player, parent/guardian, coach and appointed SSC Board Members.
2. DR players may not leave a game early or arrive to a game late because of a commitment to another soccer team/program.
3. DR players must attend 50% of practices to qualify for playing time in games.
4. Players/families must provide at least 48 hours’ notice if not attending an SSC game and shall regularly communicate with team coach and manager regarding any conflicts with practices and other team events.
5. DR players are responsible for the same registration fees and team fees as non-DR players.
6. A player shall attend a minimum of 50% of games in a season in order to be eligible for DR the following year.
7. DR players are requested to not wear apparel/attire of their non-SSC Club teams during SSC practices/games/events.

**Failure to adhere to the requirements set forth above may result in revocation of DR permissions by the SSC Board during the season and/or removal from his/her SSC travel team.**

**I understand the above and agree to adhere to the SSC DR policy as described herein and as set forth on the SSC website.**
