Behavior Management and Discipline Policy

The goal of this policy is not to set up consequences and punishments for students when they misbehave, but rather to establish positive expectations for student behavior. A second goal of this policy is not only to address the outward behavior of the students, but also to transform their hearts and minds so they understand how to interact with others. The rules of the camp are reflected in these 3 principles:

1. Safety
2. Respect Property of the Camp and of Others
3. Have Fun

DISCIPLINARY ACTIONS*

FIRST OFFENSE: Offense noted and conversation with camp counselor.

SECOND OFFENSE: Camper will be restricted from some camp activities. A call made to parents to inform them of their child's behavior at the camp.

THIRD OFFENSE: Further restrictions imposed which may include exclusion from field trip attendance. A call to the student's parents to inform them of their child's behavior at the camp. Conversation with camp director.

FOURTH OFFENSE: Camper may be removed from camp attendance.

*Any of these steps may be skipped at the discretion of the camp staff based upon the frequency and severity of the camper's misbehavior.
