

Powhatan Little League (PLL) Parent Quick Reference Guide

Uniform Ordering – Spring 2026

What's New

PLL is using SquadLocker for all team uniform orders. Families will order directly online, and uniforms will ship to your home.

How It Works

1. Team Stores are being built as Managers align and design their teams' jerseys.
2. After drafts are completed and rosters are locked, PLL will provide rosters (player names, player numbers, and the registered parent/guardian emails) to SquadLocker.
3. SquadLocker will email the Team Store link along with **one voucher number per player**.
4. Parents/Guardians will access the Team Store, select jersey size, and add hat, belt, socks, plus any additional items you'd like to purchase at that time.
 - a. Vouchers remove the cost of uniforms (jersey, hat, socks, belt).
 - b. **Note for coaches:** This process will be similar, but only hats and jerseys are covered with the voucher.
5. Uniforms (Jersey, Belt, Socks, Hats) will ship directly to your home.
6. Purchased a hat or jersey at registration? This will follow the same process (after teams are sent out).

Ordering Deadline

Current plan is to order no later than March 7. We will confirm via social media and email when vouchers are released and send reminders. Divisions may be released at different times depending on roster finalization. Production and shipping are roughly 7–10 business days—order as soon as you receive your voucher.

What's Included

Required packages typically include: **jersey, hat, belts, and socks**. Each Team Store will include the team's selected pant color. Purchasing pants through SquadLocker is **optional** (available for convenience).

Sizing Tips

Use the online sizing chart. When in doubt, size up. Jersey mock-ups will be available at assessments for comparison.

Payment & Pricing

Vouchers cover the jersey, hat, socks, and belts for players, and the jersey and hat for official rostered coaches (4 coaches for Minors and below; 3 coaches for Majors and above). Additional jerseys may be purchased directly from SquadLocker. All other purchases are paid directly to SquadLocker.

Optional Spirit Wear

Team Stores include optional hoodies, t-shirts, hats, and fan gear. Don't see something you want? Reach out, it may be possible to add. Feel free to share your Team Store link with family and friends!

Shipping

Orders ship directly to your home. Tracking is provided. Order early for best timing.
