We are currently working through options with our attorneys on a resolution. We are exploring every possible option and working hard to ensure that we have a 2026 season. We would like to thank you all for your continued support and the outpouring of help that has been offered in response to this situation. We will periodically send updates as the situation progresses and when fundraising opportunities begin.

# HELP WANTED

The Board of Directors currently needs to fill 8-12 positions to ensure the league continues to run smoothly.

Our program has made significant progress in previous years and has put an emphasis on improving the player and parent experience. In order to continue with the progress we have made, we need to fill more positions on the board. Are you self-motivated and interested in helping ensure kids in our community have equal opportunities to play baseball? We need to fill positions in roles related to purchasing, scheduling, communications, concessions, field maintenance, and league representation for each age division.

Board members are expected to attend a monthly meeting, assist with Officer of the Day shifts during the season, and complete tasks required in their assigned role. Currently, we have several board members filling more than one position and we need to add new members to lighten the load on all our volunteers.

Please reach out via email to [Raccoonvalleyll@gmail.com](mailto:Raccoonvalleyll@gmail.com) with any questions you may have or to express interest in joining. We welcome any involvement and appreciate all the work our volunteers put in to ensure that all kids in our community have a low-cost option to play baseball.

NEXT MEETING: July 6<sup>th</sup> 5pm @ Either/Or on Grand Ave
