

Bradley-Bourbonnais Baseball

Making Great Changes for the Game of Baseball and our Youth!

Exciting Changes for 2024!:

2023 was another great year for Bradley-Bourbonnais baseball! 2024 is going to be an exciting year of changes for our local league. Bradley-Bourbonnais baseball has decided to partner with the Cal Ripken league which is part of Babe Ruth League, Inc. Bradley-Bourbonnais baseball made the hard decision to part our long-standing association with Little League, Inc. as its governing body. With that said we are excited about what the new rules and regulations Cal Ripken will bring and help our players grow in the game of baseball

Bradley-Bourbonnais Baseball continues to bring in families from all over Kankakee County and is the largest recreational league in the area. The league also partners with the Bourbonnais Braves Travel Baseball organization to host games and tournaments. The opportunities for advertising and visual presence are boundless.

Bradley-Bourbonnais Baseball is a non-profit organization that is completely operated by local volunteers. This effort requires a substantial investment of time and money. This is only possible with the assistance of businesses like yours supporting local youth. We are dedicated to fulfilling our responsibility for the 2024 season. With your help we can continue to provide an outlet and learning experience to the young athletes in Kankakee County.

With the 2024 season fast approaching, we are looking to continue our relationships as well as find new local partners to help support our program. Your tax-deductible sponsorship will help offset the costs of equipment, players insurance, operational expenses, and participation fees. In addition, you will help provide opportunities for our youth to learn not only the athletic principles of baseball, but the valuable life lessons of teamwork and good sportsmanship.

What we have achieved recently:

- ☐ Upgraded Infield Surface (Major League Field)
- ☐ Fence Upgrade (Major and Minor League Fields)

Current Goals & Needs:

☐ Backstop & Fencing Upgrade (T-Ball Field)

☐ Dugout Upgrades (Major League Field)

If you have further questions or want to discuss the options for 2024 please contact any of us directly. We would love to have a conversation on how we can add exposure to your business while offering the best baseball outlet for Kankakee County's youth!
