

Lacrosse can be an expensive sport. We believe no young player interested in Lacrosse should ever be left out due to financial setbacks. That's why we make it a priority to provide registration scholarships as well as having equipment on hand to lend for those that cannot afford it. Your Sponsorship will directly affect the way this program operates its fellowship on our community's youth. Please take a moment to consider one of our levels of Sponsorship.

Contact: Yasmin Plummer – tomahawklax1@gmail.com to Setup your sponsorship today!
