

MUKILTEO LITTLE LEAGUE

All-Star Parent Code of Conduct

It is important to remember that every parent wants his or her child to play and succeed.

It is also important to remember that the coaches also want your child to play and succeed. While each parent is concerned about their child as part of the team, coaches are concerned with the well-being of each child--not just yours.

Coaches are not paid to coach Little League baseball games. They volunteer their time and put in long hours. It is important for each parent to understand this and respect the men and women who take the time to help your child improve as a ballplayer and a person.

The most frequent complaints parents have about the coaching is playing time allotted their children, positions played in the field, and positions in the batting order. The coach is the one person who sees each child in practice and works to improve that individual's play. Where a child plays in the field, bats in the lineup and how much he plays is strictly up to the coach. Please do not complain about these issues with coaches and league officials.

Therefore, it is important for each parent to understand and follow the code of conduct. Violation of any part of the code may result in removal from the ballpark's premises at the time of the incident. Further violations will be addressed by the MLL Board and/or District 1, and they will decide what the appropriate consequences will be.
