BYLAWS AND REGULATIONS

1. OBJECTIVE

1.1. League Objective

The objective of the Fairfax Little League, Inc. shall be to instill in the youth of the community the ideals of good sportsmanship, honesty, loyalty, courage and respect for authority through the sport of baseball so that they may be well adjusted, stronger and happier children and will grow to be good, decent, healthy and trustworthy citizens. To achieve this objective the Fairfax Little League, Inc. will provide a supervised program under the Rules and Regulations of Little League Baseball, International. All Directors, Officers and Members shall bear in mind that the molding of future citizens is of prime importance and that the attainment of exceptional athletic skill or the winning of games is secondary.

1.2. Scope of the Supervised Program

1.2.1. To meet the needs of the community, the supervised program shall consist of one League, individually chartered by Little League Baseball, International: **Fairfax Little League**. The League may offer levels of play as described in Rule 1.2. for players league age 4 through 16, and may also offer a Challenger Division for players league age 4 through 26. A player's League age is determined by how old a player is as of August 31st of that calendar year.

1.2.2. The **Senior Division** shall consist of a single playing division for players of league age 14, 15, or 16. See section **5 – Player Distribution** for regulations on distribution by age.

1.2.5.1. The **Little League Program** shall consist of three divisions in the American Division and three divisions in the National Division:

The **spring season** is open to players league age 4 through 12. The **fall season** is open to players league age 4 through 11.

- **Majors Division**

- **Minor League Division** - consists of four separate playing levels:

• **Tee Ball Division**

- **Kindergarten (age 5 or 6)**
- **Pre-K (age 4 and 5)**

1.2.5.2. All Little League play shall be division and level specific and may be interleague, depending upon scheduling considerations.

1.2.6. Depending on player interest, a **Challenger Division** of varying size shall be established for those eligible players, league age 4 through 26.

1.3. Objective of the Bylaws and Regulations

The objectives of the Fairfax Little League, Inc. Bylaws and Regulations are to meet requirements of the Official Regulations of Little League Baseball, International and to state, amplify, and clarify administrative regulations and procedures necessary to conduct the supervised Little League Baseball Program within the Leagues' boundaries during the regularly scheduled spring and fall seasons.

Modifications to the Playing Rules of Little League Baseball, International are located in the document **Fairfax Little League, Inc. Local Playing Rules**.

1.4. Recommendations for change

Any person associated with Fairfax Little League, Inc. in any capacity may recommend changes to these By-Laws or the local rules. Recommendations for change should be addressed to the Chief Umpire via the League President.

2. REGULATION OF THE SUPERVISED PROGRAM

2.1. National Guidance

The Official Regulations and Playing Rules for Tee Ball, Minor League, Little League, Intermediate (50/70), Junior League, Senior League Baseball and the Little League Draft Selection System for Little League Baseball, all of which are issued and copyrighted by Little League Baseball, International, shall govern the supervised program activities of the Fairfax Little League, Inc.

2.2. Precedence of Regulations and Rules

2.2.1. If these Regulations conflict with the Regulations of Little League International, these Regulations shall apply for the scheduled spring and fall seasons of play of the Fairfax Little League, Inc., as defined herein.

2.3. The League Committee

2.3.1. **Spring Season.** The League Committee for each **Division** of the Fairfax Little League, Inc. shall consist of the Division Vice President, the Division Director of Minors, the Division Player Agent, and the Division Director of Single A/Tee Ball. Each Division Vice President shall establish procedures to break tie votes within their own Division.

NOTE 1: For matters involving the Challenger Division, the Director of Challenger Play shall replace the Director of Minors on each League Committee.

NOTE 2: For matters involving the Senior/Junior League and Intermediate (50/70) Division, the Director of Senior/Junior/League/Intermediate (50/70) Division shall replace the Director of Minors and the Director of Single A/Tee Ball on each League Committee.

2.3.2. **Fall Season.** The League Committee shall consist of the League President, the Director of Fall Ball, the Director of Senior/Junior/Intermediate (50/70) Division, the Director of Challenger Play, the designated Player Agent, and the designated Director of Minors. The role of Player Agent and Director of Minors shall rotate between the American and National Divisions.

2.4. Managers and Coaches

2.4.1. All **managers and coaches** of teams in the supervised program in either the spring or fall season shall be approved by majority vote of the Board of Directors.

2.4.2. All team **managers and coaches** shall attend Rules Training for Managers conducted by the Chief Umpire prior to the start of the spring or fall season(s), or complete the entire new umpire training program consisting of both classroom and on-field classes before the spring season.

Certification by the Chief Umpire of the manager or coach's attendance at rules training is required before that individual is allowed on the playing field in a coaching role during scheduled games.

2.5. Umpires

2.5.1. Fairfax Little League uses adult volunteer and youth umpires. It is the goal of the Board of Directors to increase parent participation as adult volunteer umpires. Youth and adult volunteers may become a **league certified umpire**, making them available to work as umpires at games based upon their umpiring skill and time availability. The League provides equipment and training in rules, game administration, and safety for all volunteers. Adult volunteer umpires are also encouraged to join the

Fairfax Baseball Officials Association (FBOA), a civic organization of volunteer umpires that supports the League and conducts additional umpire training and development.

2.5.2. Subject to availability, scheduled umpires **are assigned** for all games at the Senior, Junior, Intermediate (50/70), Majors, and AAA and AA of the Minor League Division. Scheduled umpires **are not assigned** for the A level of the Minor League Division, the Tee Ball Division, and the Challenger Division.

2.5.3. Team Parent Umpires

If sufficient scheduled volunteer umpires are not available, team managers shall provide volunteer parents (**team parent umpires**) to umpire in accordance with the following procedures and rules:

2.5.3.1. All managers shall designate **two** or more adults to be the **Team Parent Umpires**. Team parent umpires shall attend a training clinic, conducted by the Chief Umpire, prior to the start of each season designed specifically for them. Upon designation, the names of Team Parent Umpires shall be reported by all managers to the League President and Chief Umpire prior to the start of the season.

2.5.3.2. The **visiting** team manager shall provide the Umpire-in-Chief who shall call home plate; the **home** team manager will provide the base umpire.

2.5.3.3. If one scheduled umpire is present for a game, the scheduled umpire shall be the Umpire in-Chief and shall be the Plate Umpire. At a minimum, the visiting team manager is responsible for providing one of the team's parent umpires to umpire the field; however, each team should provide a parent umpire to provide better umpire coverage of the game—visiting team umpire calls 1st and 2nd bases, home team umpire calls 3rd base.

2.5.3.4. After training, inexperienced umpires are normally assigned games at the AA and AAA levels of the Minors Division. For the AA level and the AAA level, even if two scheduled umpires are present for these games, the visiting team parent umpire may assist the scheduled umpires by calling 3rd base, thus placing three umpires and a minimum of one adult on the field for all games.

2.5.3.5. Any umpire may consult with the Field Marshall (Board Representative at the field complex) for interpretations or rulings during a game, if necessary.

2.5.3.6 If two youth umpires are assigned to a game the home team parent umpire will act in the capacity of Game Coordinator in accordance with National Rule 9.03 (d).

2.6. Selection of a Scorekeeper

The team manager selects the scorekeeper. The home team scorekeeper shall be the "game's official scorekeeper" and his/her decisions are final and binding. The official scorekeeper may keep the game time, and as requested, provide game time information to the Umpire-In-Chief. The official scorekeeper shall ensure that the Umpire-in-Chief signs the official scorebook if the game is

protested, or suspended; all scorekeepers should record the umpires' names. The home team manager shall designate a person responsible for keeping the official pitch count. This person shall ensure that the proper pitch counts for pitchers in the game are maintained and will provide to the Umpire-in-Chief if requested.

2.7. Board of Directors Field Marshall

A member of the League's Board of Directors MAY be in attendance at each of the League's field complexes during scheduled games and will perform as the Field Marshall of that field complex. The Field Marshall will wear his/her respective Board Shirt.

2.7.1. The duties of the Board of Directors Field Marshall are to assist the umpires in administering the Little League program of scheduled games; to ensure good sportsmanship is displayed by all players, members of the League, spectators, and guests; to assure safety for all players and league members during scheduled activities; to respond to problems with any aspect of the scheduled program at that field complex; to be available for suggestions or constructive comments from any concerned individual regarding aspects of the League's scheduled program; and to provide appropriate observations to the Board.

2.7.2. The Field Marshall has the authority on behalf of the Board of Directors to require any person who is disrupting the scheduled program or displaying inappropriate sportsmanship to leave the Fairfax Little League field complex. If this authority must be used, the Field Marshall shall make a written report of the situation to the League Committee of the Division involved and furnish a copy of this report to the Board of Directors. Managers of the teams involved shall provide such information to the Field Marshall as is necessary for this report.

3. SAFETY

3.1. Safety Director's Responsibility

The Safety Director shall publish and administer the League's Safety Program, schedule and oversee training, and establish procedures to follow in the event of injury or unsafe conditions in the Safety Program and these Local Rules.

3.2. Manager's Responsibility

3.2.1. Team managers and coaches shall complete safety training as scheduled by the Director of Safety within the past calendar year. The League goal is to have all managers and coaches complete safety training every year; the minimum League standard is for coaches and managers to complete training every other year. The Director of Safety shall certify to the League President that each team has at least one coach or manager who has met the League standards for safety training prior to the start of the schedule of play, or identify to the League President those teams whose manager/coaches require remedial safety training before the team can participate in the schedule of play.

3.2.2. Managers shall report all injuries or accidents to the League Director of Safety and the Division Player Agent. Such reports shall be made within forty-eight hours of the injury or of obtaining knowledge of such injury or accident.

3.3. Team Responsibilities

3.3.1. All teams shall emphasize safety in practice and scheduled play. Parents are encouraged to assist managers and coaches in this emphasis with their playing child.

3.3.2. In the event of adverse weather and/or unsafe field conditions, both teams are responsible for adhering to safety decisions and for trying to make the field playable, if possible. However, if the game cannot be started within time limits established by Local Playing Rule 5.4, the game shall not be played but shall be rescheduled by the appropriate Division Director. Under no circumstances is the game to be "moved" to the outfield to be played, or moved to another field, unless approved by the Division Player Agent or Vice President.

4. PLAYER REGISTRATION AND EVALUATION

4.1. Registration

All players shall be registered with Fairfax Little League, Inc. The league age of each player shall be verified at registration for the Spring and Fall seasons.

4.2. Opportunity to play

It is the intent of Fairfax Little League, Inc. that any child who desires and qualifies by age, shall be given the opportunity to participate in the supervised program and shall be placed, as accurately as possible, in the level of play which most nearly matches his/her age and/or ability.

4.3. Evaluations

The League shall schedule and conduct evaluations of playing skills to assist in administering the supervised program.

4.3.1. All players who wish to be eligible for the Junior or Intermediate (50/70) Division shall participate in the League's evaluation. Any player who does not participate in the evaluation is subject to removal from the player distribution pool and may further be subject to forfeiture of eligibility to play in the supervised program, unless a valid reason for not participating in the scheduled evaluation is presented to, and accepted by, the Director of Junior/Senior Play.

4.3.2. All players who wish to be eligible for the Little League Majors Division and the AA and AAA levels of the Minor League Division shall participate in the League's evaluation. Any player who does not participate in the evaluation is subject to removal from the player distribution pool and may further be subject to forfeiture of eligibility to play in the supervised program, unless a valid reason for not

participating in the scheduled evaluation is presented to, and accepted by, the appropriate Division Player Agent.

4.3.3. Any player who does not report for player evaluation at the scheduled time without prior approval of the League Committee shall be prohibited from playing in the supervised program for a manager or coach for whom the player previously played in any league in the past 12 months.

4.3.4. Players league age 4 through 6, and players league age 7 or 8 who do not wish to be drafted to an AA level, or higher, Minor League Division team, are not required to participate in an evaluation.

4.4. Standby List

Players registering after the final evaluation date shall be put on a standby list and will be placed on a team, if possible, by the Player Agent.

At the beginning of the Spring or Fall season, these free agents shall be assigned to a team by the draft process in accordance with the current Little League Rule Book and Local Bylaws and Local Rules.

5.2.2. Distribution of players shall be conducted by the managers under the direction of the Player Agent, in accordance with the Little League Draft Selection System published by Little League Baseball, Inc and Local Bylaws and Local rules. Players who do not appear at the scheduled evaluations, may be eligible for the Majors Division draft or subsequent calling up from the Minor League Division only by approval of the League Committee.

5.2.3. After the completion of assignment by draft (Seniors to AA divisions), remaining players of league age 7, 8, and 9 shall be assigned to teams of the A levels of the Minor League Division by the Division Director of Tee Ball/Single A with the approval of the Division Player Agent. After completing team rosters of the A level teams, remaining players shall be assigned to teams of the Tee Ball Division by the Director of Tee Ball/Single A. Assignment of players within the A level Minor League and the Tee Ball Divisions shall be by blind draw on the basis of neighborhood or geographical locations, with consideration of specific family requests to the extent possible. Siblings shall normally be assigned to the same team unless parents request otherwise.

5.3. Senior/Junior/Intermediate (50/70) Division Drafts

5.3.1 Under the guidance of the Director of Senior/Junior/Intermediate (50/70), Senior League, Juniors and Intermediate (50/70) Divisions player draft shall be accomplished in accordance with the "Plan B - Alternate Method" method as contained in the Little League Operations Manual.

Note: Players age 15 and 16 playing in Seniors shall be assigned to teams in accordance with Board guidance after coordination with High School baseball coaches.

5.4. Majors Division Draft

All Majors Division drafts shall follow "Plan B - Alternate Method" method as contained in the Little League Operations Manual.

Under the direction of the Player Agent, the Majors League Division player draft shall be accomplished as follows.

5.4.1. Each Majors manager shall draw a number. This number shall determine the team's order of selection in the draft.

5.4.2. Draft rounds shall alternately run from the lowest numbered team (i.e., number 1) to the highest team and vice versa.

EXAMPLE: Team number 1 selects first in rounds 1, 3, 5, 7, etc., and last in rounds 2, 4, 6, 8 etc., and the other teams select accordingly.

NOTE: Manager's draft option shall be in the 3rd, 4th or 5th rounds based on league age of 12, 11 and 9/10 respectively.

5.4.3. Majors team managers shall select from the player distribution pool per guidance from their

League Committee.

5.4.4 Fall Transition Program

Any Board Approved Spring manager or coach may request to manage their majors team in the fall season. The number of teams will be determined by the Fall Ball Director and Player Agent. Majors teams will be comprised of all returning/eligible majors players from the spring season and any players league age 11.

5.5. Return of Players to the Minor League Division Distribution Pool

5.5.1. Players not acquired by a Majors Division team by the end of the Majors Division player draft shall be automatically placed in the Minor League Division player distribution pool. At the time and place designated by the Player Agent and, under his or her direction, the AAA team managers shall draft players to their respective teams in accordance with Local Regulation 5.6.

5.5.2. Players in the Minor League Division distribution pool not drafted by a AAA team shall be automatically available for drafting by a AA team. At the time and place designated by the Player Agent and, under his direction, the AA team managers shall draft players to their respective teams in accordance with Local Regulation 5.6.

5.5.3. All undrafted players remaining in the Minor League Division distribution pool at the end of the AA level Minor League Division draft shall be assigned to an A level Minor League Division team as stated in Local Regulation 5.2.3.

5.6. Minor League Division Draft

Under the direction of the Player Agent, the Minor League Division (AAA and AA levels) player draft shall be accomplished as follows.

5.6.1. Each AAA and AA team manager shall draw a number. This number shall determine the team's order of selection in the draft.

5.6.2. Draft rounds shall alternately run from the lowest numbered team (i.e., number 1) to the highest team and vice versa in a serpentine fashion. If any draft has an odd number of rounds, the last round will start with the highest numbered team and end with the lowest numbered team to ensure that the team with the first pick of the draft will have the last pick of the draft.

NOTE: Manager's draft option shall be determined by the respective Minors Draft Committee consisting of the Player Agent, League President and Director of Minors. The Minors Draft Committee may seek input as it deems necessary to determine the Manager's draft option of each team. In the fall, the Minors Draft Committee shall consist of the fall Ball Director and Player Agent.

5.6.3. AAA team managers shall select from the player distribution pool per guidance from their League Committee.

NOTE: All players league age 11 or 12 shall play at the AAA level of the Minor League Division or higher unless determined to be at risk by the League Committee.

5.6.4. AA team managers shall select from the player distribution pool remaining after the AAA level draft per guidance from their League Committee.

NOTE: All players league age 10 shall play at the AA level or higher unless determined to be at risk by the League Committee.

5.6.5. Only the team managers, player agent and other league officials approved by the Division vice president will be allowed to attend the Minor League Division draft. Prospective coaches will not be allowed to attend the draft in order to avoid the perception that player selections have been predetermined. Although managers may hold preliminary discussions with prospective coaches for their team, coaching positions cannot be promised until the draft is completed and the results are made official. Managers who desire specific coaches are encouraged to pick that person's child in the early rounds per rules 5.6.1 and 5.6.2 above. Prior to the draft, managers can make their preference known to work with certain coaches. These discussions may result in other managers willfully volunteering to pass on players in the early rounds so these preferences can be fulfilled. However, at no time will any manager be obligated to pass on a player in order to meet another manager's personal preference for a specific coach/player.

5.7. Special Provisions

5.7.1. It is the intent of Fairfax Little League that players participate at the level which is appropriate for their skills and abilities; however, any Minor League Division player who refuses to be drafted to a higher level is subject to sanctions based on the following quote of subparagraph (b) of Regulation VIII of the Official Regulations of Little League Baseball:

"The Minor League program is the responsibility and is an integral part of the chartered Little League. It is not and may not be operated as a separate entity. It must be restricted to the boundaries of the Local League and its players are subject to selection by draft by any Little League (Majors) Team of the Local League. Refusal of a player to comply shall result in forfeiture of further eligibility in the Little League (Majors) Division for the current season."

NOTE: It is **NOT** the intention of this rule that players who refuse to be drafted shall forfeit eligibility to continue participation in Little League, but rather that they forfeit further eligibility for advancement to a higher league level during the current season and possibly be subject to being declared **ineligible** for postseason tournament play at any level. It is unfair for a child of exceptional ability to play in a league level that is obviously below his/her skill level. Should a player of such exceptional ability refuse advancement to a higher league level, the League Committee shall recommend proposed sanctions to the Board for approval. No sanction will be announced nor imposed without approval of the Board of Directors. Additionally, a player who, at the time of the draft, declines an assignment to a Majors Division team or requests that they not be assigned to a Majors Division team, shall be ineligible for advancement to a Majors Division team for the duration of the season.

5.7.2. It is recognized that in exceptional cases, the parents of a child who is hindered by individual limitations, may appeal to a committee of the League President, Player Agent, drafting manager (if applicable, as a non-voting member) and the Director of Minors for an appeal of player distribution.

6. TEAM STRENGTH

6.1. Number of Players

The number of players on each team shall be as follows:

Senior League, Junior League, Intermediate (50/70), Little League Majors

—Division minimum of 10 and maximum of 15.

Little League Minors Division and Tee Ball Divisions —no minimum or maximum.

Following registration, the League Committee of each Division shall determine the team strength of all league teams based on the most equitable distribution of players/teams.

6.2. Advancing Players to Fill Vacancies

6.2.1. Only long-term vacancies on Little League Majors Division teams in the spring season are eligible to be filled. Long-term vacancies are defined as those due to moving out of the community, voluntary resignation, or injury and/or illness that precludes the player from participating in 6 (six) consecutive games listed on the original schedule. Other events causing vacancies at all levels shall be evaluated by the League Committee for a determination of permanence and whether advancement is warranted. If the League Committee determines advancement from the Minor League Division is not warranted, the Majors Division team shall continue the season with its remaining players.

6.2.2. Managers shall notify their Player Agent of a possible long-term vacancy within 24 hours of becoming aware of the situation. Procedures to fill the vacancy shall be as directed by the Player Agent who will be the initial channel of communication between any manager with a vacancy and any potential replacement. Selecting managers shall not contact a player, player's parents or the player's present manager directly, until approval to do so is received from the Player Agent. Vacancies shall be filled, normally within seven (7) day's time, by the Player Agent after coordination with the League Committee.

6.2.3. In matters of player advancement, the Player Agent's decision is final. Effective on the date of advancement, the player becomes a member of the new team and is ineligible to participate with his/her previous team. A player advanced during the season shall remain eligible for any awards won during his/her tenure in the lower level.

6.2.4. Advancements shall be effective on the Monday following the date the advancement is approved by the Player Agent, i.e., the Player Agent approves an advancement on Monday of a league week—the advancement takes place on Monday of the following league week.

6.2.5. In the event a manager does not start procedures to fill a vacancy within the prescribed period, the Player Agent shall start procedures, direct an appropriate advancement, and notify the manager of the action taken. The Player Agents are charged with the responsibility of ensuring compliance with this rule.

6.3. Majors Division Replacement Players

Replacement players become permanent members of a Little League Majors Division team on the date of advancement.

7.2.3. The PPR from scheduled games played in a week shall be forwarded (or completed online) to the Player Agent of the respective Division no later than **Tuesday** of the following week.
