

All Stars - Parent Checklist

Congratulations on your upcoming All Stars Season, one of the best Little League experiences you and your player will participate in! There are several pieces of required documentation that you will need to provide for your player to be eligible and to participate. These documents will be compiled into your team's official "All Stars Team Binder" that must be reviewed and approved by our District One Little League representative.

*Please provide the following documents to your All Stars Team Parent or All Stars Manager by **June 7**. Thank you!*

.....

1. Tournament Player Verification Form

- Link to form: [Tournament Player Verification Form](#)
- Must be 2026 form
- Previous years' forms can be used if there has been no change to player's residence or school

2. Player's Original Birth Certificate

- Provide 1.) a hard copy **original** and 2.) one copy of the player's original birth certificate
- If a player has an approved Tournament Player Verification Form from a previous year AND their address used for verification has not changed you do not need to provide the original birth certificate.
- If anything has changed you must have the original birth certificate.
- Original birth certificates are returned to parents after our District One representative approves.

3. School Enrollment Verification **or** Proof of Residency

- As outlined in [Residency & School Attendance Eligibility Checklist](#), **choose one option**:
 1. School Enrollment Verification
 - This is the easiest option; and we suggest you use this verification method.
 - Complete the [School Enrollment Verification](#) and have it signed by the school's School Administrator, Principal, or Vice Principal.
 - If the player participated in All Stars last year, and the player hasn't changed schools, you can use the previous year's form.
