Divisions are based on CURRENT age defined by USSSA Baseball:

The USSSA baseball age chart for the 2026 season is based on a May 1st cutoff date. Players' ages are determined by how old they are on May 1, 2026. Here's a breakdown:

- 8U - Players must be 8 years old or younger on May 1, 2026.
- 9U - Players must be 9 years old or younger on May 1, 2026.
- 10U - Players must be 10 years old or younger on May 1, 2026.
- 11U - Players must be 11 years old or younger on May 1, 2026.
- 12U - Players must be 12 years old or younger on May 1, 2026.
- 13U - Players must be 13 years old or younger on May 1, 2026.

The purpose of the Marshalltown Baseball Club Competitive level programming is to provide opportunities for higher-level competition while emphasizing fun and growth through instruction. The program focuses on learning the fundamentals of the game of baseball with 1-2 practices per week during pre-season and the regular season. Practices will start in early **February** and the season continues through the USSSA state tournament in July. Volunteer-parent coaches teach the players baseball rules, skills, and techniques through practice. Players will participate in local double headers and weekend tournaments which will enhance their competitive spirit while focusing on instruction and teamwork. **(2026 Season we will not have tryouts unless participation numbers warrant)**

The league provides each player a hat. A travel jersey will need to be purchased for \$35. Players are responsible for gloves, helmet, belt, baseball pants and cleats (NO steel cleats).

All youth bats **must be** USSSA certified. There are a few bats available in the storage shed for use if needed.

League owned equipment is to be left in the storage shed when not in use. This includes catchers' equipment and any bats that are used from the shed.

Your head coach is your contact throughout the season.

Late registrations will include a late fee and will need to be approved.
