Canon Mac Youth Baseball Association, a 501c3 non-profit organization, has been a valuable community organization for over sixty years. We provide local children the opportunity to play sanctioned PONY (Protect Your Nation's Youth) League Baseball. Our organization brings fun, learning, and competition to the children of our community. Your support and sponsorship are essential for a successful 2026 season!

**Traditionally, we have been able to maintain low registration fees in the community, and with your support, we can once again pass along the savings to the children of our League. We typically have 700 families registered per year participating in our league, as well as many tournaments that bring in other communities from all over the area!**

When you sponsor a team, your sponsorship helps fund the cost of uniforms, equipment, insurance, umpires, lighting, trophies, and awards. We do encourage our members and friends to patronize our sponsors as a reward and show of thanks for their generosity and contribution. In addition, your sponsorship will be proudly displayed on our social media and website at [www.cmybaseball.org](http://www.cmybaseball.org). Sponsorship funds are also critical to be able to maintain and improve our Falconi Facility to provide the best experience possible for players, parents, and visitors! Our current progress and plan include:
