**Things to remember:**

**This is a job; players, parents and the club count on you attending your scheduled games.**

- Once games are assigned to you, you are expected to attend.
- If you cannot work an assigned game, it is your responsibility to find a replacement referee.
- You need to:
  - ★ If less than 6 days before the scheduled game, you will need to find your own replacement ref for the game/s. Once you have found a replacement, call NPSC to get approval for the switch.
  - ★ If more than 7 days before the scheduled game, contact NPSC by email. NPSC will then help you find your replacement.
- Referees missing any of their scheduled games, without prior approval from NPSC, will be automatically dropped from the rest of their scheduled games. Payment of any already refereed games will be delayed until the end of the season and your pay rate will drop to \$13.00 per game for all games already worked.
- When possible, NPSC will assign 3 consecutive games to the refs.
- Referees are required to complete a game report for all refereed games. The game report MUST be signed by both coaches.
- Referee is required to wear an official referee uniform with black shorts, provide their whistle and time watch.
